## **ROOM SERVICE TROLLEYS**

### **ROOM SERVICE TROLLEY**

This trolley is known for its versatility. It is used for the service to guests in their rooms. The waiter sets up the meal and covers on the trolley and wheels it into the guest's room. This trolley may also be used as a dining table in the privacy of the guest's room. Beneath the trolley top, provision is made for mounting a hot case to keep the food warm.

## **LINEN MANAGEMENT LAUNDRY TROLLEYS**

**HAKS**  
Hospitality And Kitchen Solutions

### **YOUR LINEN MANAGEMENT SHOULD BE DISCREET AND YOUR LAUNDRY SERVICES IMPECCABLE.**

Linen management is all about being discrete, combined with impeccable laundry service. HAKS Trolleys make it possible to transport both big or small loads of laundry. The Uniform trolleys will help you to organize your dry cleaning and transport efficiently. Some models of the uniform trolleys are adept to transport clean linen and dry cleaning at the same time.

## UTILITY TROLLEYS

## YOUR KITCHEN CHEF AND EQUIPMENT REFLECT YOUR CARE FOR YOUR CUSTOMERS.

A kitchen trolley is a serving cart that can also be used for storage. A kitchen cart has wheels, or casters, on the bottom so that it can be easily moved around the kitchen or moved into other areas of the restaurant/hotels.
