

HAKS[®]

INTRODUCING

HAKS\WOK

Asian Range

In Addition To All Other
Commercial Kitchen Equipment Solutions!

Experience precision and efficiency with our HAKSWOK™ Asian Range. Made from high-grade stainless steel, it combines traditional craftsmanship with modern engineering for durability and style. Designed for intense heat, our burners achieve perfect wok hei, the signature smoky flavor of Asian cuisine. With precise temperature control, chefs can easily master stir-fries or rapid sears, ensuring exceptional performance for any kitchen.

High Pressure
Models for
Intense Heat

Intensive R&D

Premium
